

How to Order From Our Website

A short walkthrough of www.bandatradingcorp.com: browsing our full catalog, checking stock, and sending us a quote request in a few clicks.

One catalog, organized so you can shop it fast

1,942 products across six groups instead of one long list. Every card shows a photo, English and Korean name, and live stock.

5

Note (optional)

Anything else we should know about this request...

6

Submit quote request

1

Add another item

Search and add more products right from this page, great for last-minute additions.

2

Quantity field

Changes save automatically as you type. The trash icon removes the item.

3

Print/export

Click "Print/export" to download a copy before submitting (you will be emailed a copy regardless). Click "Clear all" to remove all the items in your quote list at once.

4

Confirmation email

Filled in automatically once you've saved one, or check the box to save what you type here.

5

Note (optional)

Leave anything your rep or our team should know. It'll be included with your request when it reaches us.

6

Submit quote request

Sends your list straight to our sales team, who'll follow up with confirmed pricing and availability.

That's it! You're done!

You'll see this confirmation right away, and every quote you've sent stays saved to your account.

Account DEMOSTORE01

Log out

1Sales representative

Click to expand and see their phone and email directly. You'll see "HQ" with our office contact until a dedicated rep is assigned.

2Account details

Enter in your phone number and email and it will be saved to your account. When you place an order, the confirmation will send to the email on file.

3Need a change, or want us to handle it for you?

Contact your sales rep and they can add, remove, or adjust items. Your rep can also submit the request on your behalf.

3Saved addresses

Add your address so we know where to ship the invoice to. This will also be visible on the quote request.

4Recent quote requests

Every request you've sent us, saved here — the status badge updates as we review and fulfill it. Come back anytime instead of digging through old emails.
